*Olympic Forest Coalition*

## Climate Change: Implications for Olympic Peninsula Forest Ecosystems

---

February 23, 2007 • Olympic Natural Resources Center, 1455 S. Forks Avenue, Forks, Washington

---

8:00 **Meet and Greet** – Coffee, pastry, fruit available

8:30 **Welcome** – Origins of the event

Bonnie Phillips, *Executive Director*, Olympic Forest Coalition

John Calhoun, *Director*, University of Washington Olympic Natural Resources Center

### Section I

---

8:45 **Global Perspective** – Keynote Speaker

Dr. Edward Miles, *Co-Director*, University of Washington Center for Science in the Earth System

### Section II

---

#### Focus on Olympic Peninsula Forests – Scientific Perspectives

9:30 **Changes and Risks to Forests**

Dr. Dominique Bachelet, *Director of Climate Change Science*, The Nature Conservancy

10:00 **Changes and Risks to Salmon and Their Habitat**

Dr. Nathan Mantua, *Assistant Director*, University of Washington Center for Science in the Earth System

10:30 **Break**

10:45 **Projecting the Effect of Future Climate Change on the Biodiversity in Protected Areas for Conservation in the Pacific Northwest**

Dr. Joshua Lawler, *Assistant Professor*, University of Washington College of Forest Resources

Dr. Elizabeth Gray, *Director of Conservation Science*, The Nature Conservancy

Section II (continued)

---

Focus on Olympic Peninsula Forests – Scientific Perspectives

11:30 **Questions and Discussion**  
Moderator: Bonnie Phillips

12:00 **Lunch**

---

Section III

---

Focus on the Olympic Peninsula:  
Forest Managers and Regulatory Agencies Perspective

1:00 **Olympic National Park**  
Bill Laitner, *Superintendent*  
Cat Hawkins Hoffman, *Chief of Natural Resource Management*

1:20 **Olympic National Forest**  
Jeremy Littell, *Research Scientist*, University of Washington Center for Science in the Earth System

1:40 **Washington State Department of Natural Resources**  
Gretchen Nichols, *Division Manager, Land Management*  
Jeff DeBell, *Silviculturist/Geneticist, Land Management*

2:00 **Tribal Forest Management**  
Jonni Trettevick, *Forest Manager*, Makah Natural Resources

2:20 **Break**

2:40 **Private Forest Management**  
Harry Bell, *Chief Forester*, Green Crow Corporation

3:00 **United States Fish & Wildlife Service**  
Shelley Spalding, *Fish & Wildlife Biologist*

---

Section IV

---

3:20 **Questions and Discussion**  
Moderator: John Calhoun

4:15 **Wrap Up and Thanks for Coming**  
Bonnie Phillips
